## THE MESSIAH

*This coming Sunday at 8 p.m. will become a milestone in St. Albert's history. On this evening, for the first time, a St. Albert choir will present Part I of Handel's Messiah, under the direction of Mrs. Lillian Upright. Handel's Messiah has been loved by Christians of all religions the world over for more than 200 years. A performance of the Messiah is an occasion for all Christians to come together in the joint belief that the Messiah is the Savior of the world. In view of the fact that Protestants and Roman Catholics are seriously seeking ways to find each other more and more, aided by the incomparable late Pope John, we would suggest that all our St. Albert Roman Catholics and Protestants meet each other under the spiritual influence of Handel's Messiah. We hope and pray that this Sunday there will not be one empty seat in the United Church as all St. Albert citizens gather to hear this wonderful Christmas present.*

## THE THIRD STEP

*The Alberta Government Telephone's application to the Board of Public Utilities Commissioners for an increase in the monthly rental of \$3.25 to \$3.75 was the third step in a well planned A.G.T. policy which we have condemned from the first.*

## AN EXCITING FIRST FOR ST. ALBERT

Final rehearsals are being held this week for Sunday's presentation of the "Messiah" (Part I) by the St. Albert United Church Choir. It will be given in the church at 8 p.m., and an invitation to all the community is extended. Soloists for Sunday's performance are all St. Albert singers who have been associated with the choir over periods of the past seven years. Frances Shultz and Jean Dobbie will sing the soprano and contralto solo work, respectively, while the male soloists will be Richard Leggett, tenor, and Douglas Petherbridge bass. The thirty-voice choir is under the direction of Lillian Upright, organist.

Sunday's performance will be interspersed with Biblican readings based on the Old and New Testament texts used by Han-

step. First, we lost our telephone identity as an independent town. Not long after that we were told by the A.G.T. that their local office will be closed sometime in 1964. And now, for a Christmas present, the A.G.T. proposes to increase our monthly telephone rate from \$3.25 to \$3.75.

Many of our friends in town have asked what we thought about it, but we doubt very much if even thinking about this third step is worthwhile. This third undemocratic step of the A.G.T. (undemocratic because we as shareholder-customers again were not consulted or even informed by the A.G.T.) The A.G.T. doesn't need advice. They have their plans and we all have to follow whether we agree or not.

It's foolish to argue that the A.G.T. has used a more democratic way for this third step by applying to the Board of Public Utilities Commission, because the fact still remains, we the shareholders are again ignored, and this we call undemocratic.

To defend this increase by saying that the new rate will stay within the Edmonton limits is neither here nor there, because there are so many things that Edmonton has and we not, and the reverse. If we use this kind of argument as a general criterion, why don't we have swimming pools, arenas, theatres, etc, because Edmonton has them. This third step is not a question of how Edmonton or any other outsider thinks about it, it is a clear case between St. Albert and the A.G.T. Our town, and our officials, have been treated by the A.G.T. in a way which didn't show much respect for our independence backed by 100 years of great history.

We are not complaining about the 50¢ increase, we are only opposing the way that the A.G.T. has used three times against the Town of St. Albert. We regret that Councillor John deBruijn stated that, "We haven't too much to squawk about", giving the impression that the people of St. Albert agree with this third step, which we doubt very much. Also, we don't agree with his statement that the A.G.T. service is better than Edmonton's. In the last couple of months we have received at least 20 phone calls a week (even at 3 a.m.) from people who dialed another number but got us. We informed the Trouble Operator many times regarding this, giving her the caller's number and the number they were dialling, but up to now, no improvement at all! We don't call this better service than in Edmonton.

There is no excuse for this third step seen in the light of the first two steps. One wrong step is forgivable, but not three, especially if they are made by an official government agency, against its shareholder-taxpayers.

## A MESSAGE TO THE CITIZENS

Fire Prevention never ends in homes, industries and other establishments. Every one doing his part will help to keep the fire losses down.

Looking back at the past eleven months in St. Albert, the Fire Department had 38 calls and a fire loss of \$10,785.00. This can be improved with everyone's co-operation.

Remember, fire never takes a holiday - not even on Christmas. And as these holidays are coming up shortly, it's particularly important that we keep this in mind during the holiday season, for many of our Christmas customs increase fire hazards in our home. And in the rush of Christmas activities, there may come the careless, thoughtless act which opens the door to deadly fire.

Points to remember are: never leave children unattended, make sure your tree is fresh and placed in damp sand or water, all lights in good condition, don't burn gift wrapping paper in open fire places, turn your tree lights out before retiring at night. If you have company, check for any live cigarette butts, etc, after your company departs, before you retire for the night.

With this message in mind, on behalf of myself and the Fire Department, we wish all our citizens a very Merry Christmas and a prosperous New Year.

F. Tetarenko, Fire Chief

## CHERCHEZ LA FEMME

by Merle Vacirca

The St. Albert Women's Institute met on December 10th at the home of Mrs. Grant 25 Balmoral Drive. The treasurer's annual report was received at this, the last meeting of the year.

A Christmas party followed with the members exchanging gifts. A hilarious fashion show was then presented. Mrs. Neil Ross showed slides of her European tour and described the scenes so well, one felt there with her.

A Christmas supper was served and many good Seasonal wishes extended.

A special Christmas meeting was held recently by the 4th St. Albert Guide Co. Their mothers attended as their guests. Before the meeting opened, each girl presented her mother with a corsage she had made herself. The highlight of the evening was the Enrolment Ceremony when the following were enrolled: Marion Rindero, Lynne Jarvis, Kathryn Jones, Linda Yule, Lorna Harvey, Karen Yule, Laura Anderson and Linda Fehr. The Enrolment Ceremony was taken by Lord Bader Powell from the one used hundreds of years ago for the investiture of a new knight. The uniform a Guide wears for the first time at her enrolment is like the armour of a knight - a sign that she has enlisted in a great army of people who are pledged to stand for Truth, Friendship and Justice all over the world.

Several service stars were presented. The leaders presented each Guide with a book mark which had the Guide Law printed on it. The mothers joined the Guides for campfire to sing Christmas carols. After taps, everyone enjoyed a delicious lunch. The Guides exchanged gifts in the form of a fish pond.

I would like to thank all the ladies who shared their recipes with us. My own personal recipe file has grown by leaps and bounds.

Thank you and a very Merry Christmas and Happy New Year to you all.

The Morning Service on December 15 was attended by the Kindergarten and Primary Departments of the Church School which observed White Gift Sunday. Each child brought an article of clothing, food or toys and placed it in the chancel as their part in making Christmas brighter for someone else. The children retired to their classes during the second hymn. The choir, led by Mrs. P. Upright, presented "In Bleak Mid-Winter" by Rossetti and "He Shall Purify" by Handel. During the afternoon a number of ladies gathered at the Church and packed Christmas packages of the White Gifts. These hampers are distributed in our community and any extra items are taken to All People's Mission, the Indian School and/or Beulah Home. These particular institutions were chosen because they seemed to be symbolic of the Church's mission to care for the poor and friendless. During the coming week there will be a number of activities to celebrate the Christmas Season.

**Sunday, December 22** Morning Service 9:45 a.m. in the Church. Church School Program and Coffee Hour 2 p.m. in the Church. Choral Presentation of the "MESSIAH" Part I at 8 p.m. Coffee will be served in the Lower Hall.

**Tuesday, December 24** Christmas Eve Service 9 p.m. Those who enjoy the traditional hymns and carols of the Christmas Season are invited to share in the Christmas Eve Service at 9 p.m. The choir will present several carols: "What is This Lovely Fragrance?" (French), "The Rocking Carol" (Czech), "The Holly and the Ivy" (English), "The Cradle" (Austrian), "People Look East" (Besançon) and "In the Bleak Midwinter" by Holst. In addition they will perform the Christmas narrative from Handel's "Messiah", with soprano soloist, Frances Shultz. The congregation will have an opportunity to choose and sing any of their favourite Christmas music in the free carol sing which is a traditional part of this Christmas Eve Service.
